

# THE FACILITATION TEAM

The Big International Constellation

IEC 2018

**Bence Ganti**, (USA/Hungary) MA in psychology is a clinical psychologist, director of IEC, an originator and visionary of this event with Dennis Wittrock (Germany). He is co-founder and director of one of Europe's most successful long-term integral communities, the Integral Academy of Hungary. He is founder of the Integral Flow Experience group process. He is a presenter, a workshop facilitator and panelist in major integral conferences in the US since 2004. He teaches at Meridian University and

San Francisco State University in California. Ken Wilber asked him to be his branch co-ordinator of his Integral Institute for Europe.

**Professor Dr Barbara von Meibom** (Germany) has been teaching Political and Communication Science at the University of Duisburg, Essen. She is the founder of Communio-Institute for the Art of Leadership in Berlin, with trainings in self-awareness, mindfulness, and spiritual self-management as the basis of servant leadership. Extensive studies in India led her to synthesis of eastern and western spiritual traditions. She is a spiritual teacher and spiritual coach, teaching

internationally. She has published more than a dozen books and gives talks in Germany and abroad.

**Péter Kemény** (Hungary) is an integral evangelist in personal improvement and organizational development. He has been teaching and facilitating the integral approach of psychodrama, bodywork, systemic constellations, and people's self-improvement for 8 years. He specializes in karmic and archetypal constellations and energy healing. He is also an Integral OD consultant at Atlas Circle where the Reinventing Organizations Map, an Integral assessment tool, was

developed. "My purpose is to introduce the integral approach into society."

**Diana Claire Douglas** (Canada), M.Ed is a systemic facilitator (family, organizational, and collective/societal), social architect, researcher and writer, and explorer of the depths. She is certified as a facilitator of Organizational Constellation Work. On the international core teams of the Hague Center for Global Governance, Innovation and Emergence and Integral City as lead constellator, she has co-authored chapters in two books: *Integral City: Inquiry and Action*; and

*Cohering Integral We Space*. She is happy to be participating in the emerging new branch of Systemic Constellation Work, which she calls *Constellating for the Collective*. "I am now in my right place doing the work I am meant to be doing — such an amazing privilege!"
